About First Book & Our Network

First Book is a nonprofit social enterprise committed to supporting educators and elevating opportunities for children in need. Over the past 30 years, First Book has distributed more than 200 million books and resources to our growing Network of over 525,000 educators and program leaders working in under-served communities.

First Book supports all types of educators, formal and informal, working with children in need. If you work in a Title I-eligible school, early childhood program (including Head Start), afterschool program, shelter, clinic, church—or any other organization where at least 70 percent of children served come from low-income families—you are eligible to become a First Book member. [Sign up is FREE](#) and takes about 5 minutes!

Once you're a member, you'll have instant access to an incredible selection of relevant, brand-new books and educational resources—at the lowest price possible—through the [First Book Marketplace](#), our award-winning eCommerce site.

Additional Benefits of Your First Book Membership:

- **Access to special funding opportunities to receive FREE books!** Once you're signed up, keep an eye out for our emails containing promo codes, grant opportunities, or special event announcements thanks to support from our generous partners and donors.
- **Tools to promote diversity & inclusion.** Representation in books matters. First Book has a consistent and intentional commitment to providing access to affordable books and resources that promote diversity, boost empathy, and create inclusive environments in schools and programs. Explore our [Stories for All Project™](#) page to learn more!
- **Access to the Book Bank.** Through our one-of-a-kind [Book Bank](#), you can order brand new books and resources in bulk for just the cost of shipping and handling! Books and educational resources offered in the Book Bank are donated by our generous publisher and vendor partners.
- **FREE educational resources.** Our members drive everything that we do, and that's why we create free resources available through the [First Book Accelerator™](#). Every now and then we ask our members to share their unique needs and concerns in surveys or focus groups which drives the development of expert-informed free resources for educators on relevant topics like race and social justice, student mental health, and social and emotional learning (SEL).
